

Hematology News™

Hematology News (www.mdedge.com/hematologynews) strives to be useful, relevant, and of high interest to the practicing hematologist by providing coverage of important clinical research at medical meetings and published in journals, and commentaries that put advances into perspective.

Hematology News is available online and as a monthly print edition from the publishers of *Internal Medicine News* (www.mdedge.com/internalmedicineneeds) who have nearly 50 years of experience in medical news and commentary for specialty physicians. With a staff of experienced medical journalists, the website goes beyond the important papers, opinion pieces, and meeting reports to address more controversies and include unique features, videos, blogs, and podcasts. *Hematology News* also addresses the impact of trends in practice management and health care policy.
